Purpose

11-4-1: The purpose of the Agricultural (AG) District is to protect and preserve agricultural lands and related activities in their present character. The intent of this district is to protect agricultural lands from incompatible land uses and urban encroachment. This district encourages the use of land for local food production. This district may also be used as a means to limit premature development, or to assure development of property takes place when suitable infrastructure and adopted plans are in place to support development of the area in a manner consistent with the applicable [General Plan](#) designation.

11-4-2: Land Use Regulations

In [Table 11-4-2](#), the land use regulations for each Agricultural zoning district are established by letter designations as follows:

- “P” designates use classifications permitted in the [Agriculture District](#).
- “SUP” designates use classifications permitted on approval of a [Special Use Permits](#).
- “CUP” designates use classifications permitted on approval of a [Council Use Permits](#).
- “(x)” a number in parentheses refers to a limitation following the table.

Use classifications not listed are prohibited. The “[Additional Use Regulations](#)” column includes specific limitations applicable to the use classification or refers to regulations located elsewhere in this Ordinance.
